Dear Friends,

The beginning of September is **THE SADDEST DAY OF THE YEAR** for many parents. It's the day their children should go back to school. However, if they can't afford the basic uniform and pen/paper pad, they can't go. So many get no education.

THANKS to your donations we are able to help send the 130+ kids in the village back to school with some of the necessary school supplies and backpacks.

THANKS to your donations we are able to feed these children in the Gitamaruka village through our porridge ministry.

THANKS to your donations we can make their lives fun with some basic sports supplies.

THANKS to your donations the parents feel encouraged in the challenges of raising kids in one of the poorest countries in the world.

I always tell our church:

We can't do everything but we can do something

We can't help everyone but we can help someone

Thank you for helping us take care of our eight orphans and the 130+ kids in the village. Each is precious in the sight of the Father of the Fatherless.

Pastor H. Rey

P.S.....please ask the Lord to make a way for me to get back to Nick's Place (Home of Hope). Obviously with Covid 19, my original plans have been drastically changed regarding going there. But good Lord willing, I will make it back soon.
