Dear Friends,

The Need: a **CAR** to get them school

For the past two years we have rented a car every week to take our 8 kids to school (it's a 45 minute drive from the village to their school in Bujumbura)

In November and December we hope to raise enough funds (\$5000) to buy them a reliable vehicle to get them to and from school and other necessary activities. This is a big step of faith but we feel it is important for their long range school needs.

If you would like to designate a one time gift for this, we greatly appreciated it. Either send it to our P.O. box OR give on our website:
