THANK YOU Friends,

Your generosity and prayers are appreciated regarding transportation for taking our orphans to school. We had hoped enough for a small car BUT through you, God has almost finished supplying so we can get a used mini-van and accommodate their growth

ROCKS for JESUS.....

In Burundi poverty and lack of jobs is astronomical but our leaders have come up with another great idea to involve the village people to help themselves. They have been gathering ROCKS from the nearby river and then sell them to those who need them for building projects. (*notice how the ladies haul them up from the river*)
