Friends,

The Gift of EDUCATION.....Nick's Place (Home of Hope) has a Literacy ministry in the village, but it isn't only for the children.

The woman in this picture is 70 years old and just finished our course and has learned to read and write. She is one of 4 ladies that graduated. WOW. Even if you are in the world's 3rd poorest country you can still learn to read. We do this so they can read the Bible, God's Word and grow in their faith.

Pastor and Karen

THANK YOU for helping raise the funds for the orphans' school mini-van. Pray for our Nick's Place leaders as they pick out a reliable vehicle.

We thank God because we raised almost \$1000 this year for feeding the children through friends who donated their RECYCLED bottles & cans.

REMINDER: Please tell all your friends who shop online to *designate* Nicks Place (Home of Hope) as your charity on **SMILE.AZMAZON.COM** A small portion is donated by Amazon toward our orphanage – this year **\$245** has already been donated through your purchases.
